

THE
little lamb
CHRISTIAN SCHOOL

Academic Excellence. Family Feel.

From the Director's Office

March has arrived and it's so wonderful to know that Spring is right around the corner! Soon signs of Spring will be all around us at The Little Lamb as the trees begin to blossom and the warmer weather approaches. The children will begin to notice the signs of Spring as they search the skies for rainbows and use their imaginations to find pictures in puffy clouds.

Don't forget to "Spring Forward" as we once again change our clocks on Sunday, March 12th. It is so nice to have those longer days again!

Have a wonderful Spring!

Sherry Banks, Director

HAPPY BIRTHDAY

Carter Norris 3/2

Ellie Walker 3/8

Henry Lee 3/8

Nathan Carver 3/11

Debbie Duke 3/14

Leo Carter 3/30

17th-St. Patrick's Day-Don't forget to wear green!

20th-Spring begins

Check out the Boards in the Classrooms!

The curriculum boards in the classrooms allow you to see what your child is learning. You will find photos of the children doing projects and learning in the centers, student work displayed and a description of what they did and the skills they learned. Please take time to check out the boards. Ask your child about it, they will love to look at the photos and projects with you and tell you all about it! Enjoy seeing all the fun and learning your child is doing throughout the day!

Spring into Savings

Receive a \$50 Barnes and Noble gift certificate!

- Encourage a friend to schedule a tour during the months of March or April
- Upon completion of their tour, you will receive a \$50 gift certificate to Barnes and Noble Bookstore.

Bonus: Get a Free week of Tuition!
